YOUR GATEWAY TO THE MASSIVE AIRPORT DEVELOPMENT PROJECTS MARKET IN THE MIDDLE EAST, AFRICA AND SOUTH ASIA REGION

Airport Show is a leading business platform that gathers global aviation manufacturers and suppliers and serves as an annual meeting place for the MEASA region's aviation community.

Held under the patronage of His Highness Sheikh Ahmed bin Saeed Al Maktoum, President of the Dubai Civil Aviation Authority, Chairman of Dubai Airports, Chairman and Chief Executive of Emirates Airline and Group, the 24th edition will take place from 6 - 8 May 2025.

Airport Show and its co-located events create the ideal platform for airports, airlines, ground handlers, service providers and suppliers to come together and collaborate to further enhance the global travel experience.

“Airport Show has evolved into a prominent B2B platform and a driving force for the airport industry to source their requirements, learn about fast-changing business dynamics and emerging trends and disruptive technologies. Every major airport is aiming to go big - in terms of growth targets, investments and innovations. This event will provide airport leaders a unique opportunity to delve into the latest advancements in airport sustainability, digitalisation, and urban air mobility.”

H.H. Sheikh Ahmed bin Saeed Al Maktoum

- Internal Services
- AI, IoT, Blockchain
- Passenger Management
- Traffic and Operations Management

Ground Support Equipment and Services

- Aircraft Docking
- Aircraft Handling
- Aircraft Maintenance
- Airfield Service Equipment
- Baggage Handling
- Cargo Handling
- Consumables and Fluids
- Passenger Handling (Ground Support)
- Other Ground Handling Equipment

Airfield Construction and Installations

- Airfield Lighting Systems
- Environmental Control (e.g. noise /flight monitoring)
- Hangar Design and Construction
- Marking and Signage
- Pavement Design and Servicing
- Planning, Consultancy and Construction
- Technical Installations (e.g. fuel farm technology, cabling)

Airport Operations

- Aircraft Management and Related Services
- Airport Maintenance
- Airport Revenue Management
- Property Management
- Terminal Maintenance
- Training and Recruitment
- Waste Management

Airport Security

- Cargo Security and Scanning
- Crash, Fire, and Rescue Technology
- IT and Cybersecurity
- Perimeter Protection
- Passenger Safety and Security
- Threats and Risk Prevention

Air Traffic Control

- ATC Build and Infrastructure (including Consoles)
- ATC Navigation and Guidance Systems
- ATC Operations
- ATC Remote Systems
- ATC Voice and Communications
- ATC Training, Consultation and Management Services
- Air Traffic IT and Information Systems
- Air Traffic Safety and Security
- Trade, Media and Research

NEW IN 2025

Aimed at transforming the passenger experience at airports, enquire about the following specialized zones

Ground Support and Equipment Zone

The ultimate showcase platform for leading GSE suppliers and manufacturers, the GSE Zone at Airport Show aims to highlight your innovations, forge valuable partnerships, and explore new business opportunities in one of the fastest-growing markets. Don't miss the chance to have direct access to influential contacts and be part of the future of ground support and equipment solutions.

Airport Design Pavilion

Position your firm at the forefront of airport design, collaborate with key stakeholders, and unlock new business potential in one of the world's fastest-growing markets. Join us at the Airport Design Pavilion to shape future aviation facilities in the MEASA region.

Airport Tech Pavilion

Meet tech-savvy decision makers of some of the world's most advanced aviation facilities. Regional airports are known for their progressive approach in technology adaption, relatively faster than their international counterparts.

BUSINESS CONNECT PROGRAMME

The unique matchmaking programme facilitating over 3,000 pre-scheduled meetings for exhibitors with key officials from airport authorities and contractors of mega airport developments across the region

SUSTAINABLE APRON Brought to you by onata

Sustainable Apron, a display zone for leading electric/hybrid Ground Support Equipment (GSE) and Ground handling Equipment (GHE) manufacturers. A step that promotes the sharp focus on sustainability to help the airport community in achieving a more sustainable airport industry that is aiming to reduce carbon footprint year on year.

INNOVATION TRAIL

An excellent line-up of products and services that shape the future of airports from leading suppliers and manufacturers from over 20 countries.

CONFERENCES

From airport innovation to updates on women in aviation, learn the latest industry developments with the Airport Show's co-located conferences.

GLOBAL AIRPORT
LEADERS' FORUM

LEADING COLLABORATIVE SUSTAINABLE AVIATION GROWTH

The **Global Airport Leaders' Forum (GALF)** is the premier annual gathering of global aviation leaders to discuss effective leadership strategies for the new industry landscape in operational efficiency, ground handling, passenger experience, digitalisation, and more.

The 11th edition of the **Global Airport Leaders' Forum** will take place in Dubai from May 14-15, alongside the Airport Show 2024, and will feature renowned experts and officials discussing a variety of topics crucial to the growth of the global aviation industry.

THE LARGEST EVENT IN THE ARAB WORLD DEDICATED TO WOMEN IN AVIATION

Launched in 2016, the **Women in Aviation General Assembly** has become an annual meeting place for international aviation leaders, female industry role models and hundreds of college and university students looking to join the industry.

As a young and rapidly growing aviation economy, the Middle East is committed to ensuring equal opportunities for women across all sectors, and the Women in Aviation General Assembly Dubai plays a powerful role in bringing the industry together to discuss the challenges and how to overcome them.

MAXIMIZE YOUR PARTICIPATION TO AIRPORT SHOW 2025

Airport Show aims to support aviation companies to benefit from the vast volume of the regional airport investments through the following:

BUSINESS CONNECT CONNECT MORE. ENGAGE MORE.

KEY AVIATION LEADERS AND ORGANISATIONS TO BE PRESENT AT THE EXCLUSIVE BUSINESS CONNECT PROGRAMME

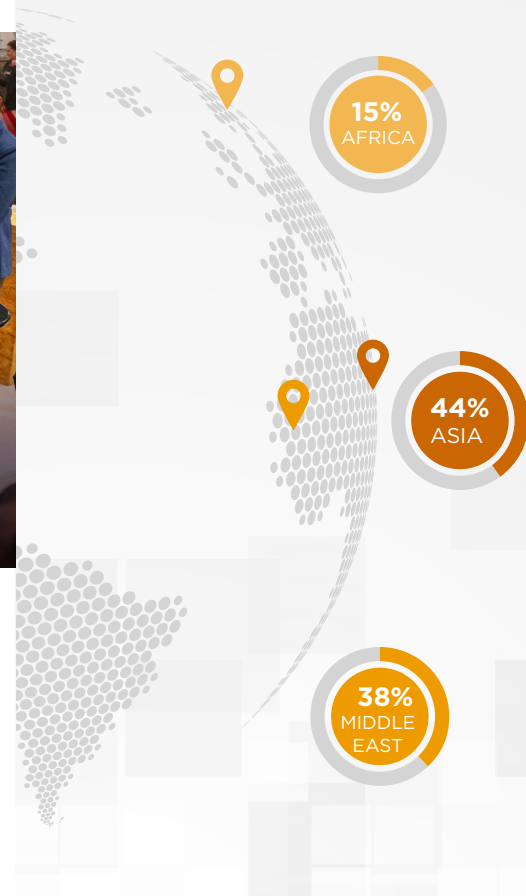

Take advantage of the exclusive networking opportunities provided in the Business Connect Programme. Meet with the airport decision-makers.
